FORWARD-LOOKING STATEMENTS

Certain information in this Management Discussion and Analysis, including any information as to the Company's future financial or operating performance and other statements that express management's expectations or estimates of future performance, constitute "forward-looking statements." The words "expect", "will", "intend", "estimate", and similar expressions identify forward-looking statements. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management, are inherently subject to significant business, economic and competitive uncertainties and contingencies. This document may contain forward-looking statements reflecting the management's expectations with respect to future events. Actual results may differ from those expected. The Company's management does not assume any obligation to update or revise these forward-looking statements as a result of new information or future events except as required by law.
